1. The MAX-FIP inspection kit is not yet supported on EXFO Connect. The FOT-930 MaxTester OLTS and the MAX-700 OTDR are not compatible with EXFO Connect.
2. Test Equipment Manager (TEM) now supported, Test Data Manager (TDM) upcoming.

For any questions or information on EXFO Connect functionalities and compatibility with the MaxTester series, please contact your local EXFO sales representative or send us an e-mail at isales@exfo.com.

✓ = Supported

X = Not supported

Upcoming = Will be supported in the future

Partial = Partially supported, see note 2 for details
